## VOCABULARY

A Choose the best words to complete the text.

Karina is (Mexico / Mexican)<sup>0</sup> but she lives and works in London. She started her job last year, (in / at)<sup>11</sup> April. She loves her work. She sells special-interest holidays. It's (an export / a niche)<sup>12</sup> market and she really enjoys the work of planning specialised tours for clients. The company is very small. It (employs / supplies)<sup>13</sup> only four people and they all work in one office. This makes (print / face-to-face)<sup>14</sup> communication very easy. They can talk to each other at any time.

Next week, she's moving to a new flat because her old one is (too far / far enough)<sup>15</sup> from the office. She's a very (punctual / practical)<sup>16</sup> person - she likes to be on time - and the long journey to work was difficult. She had a lot of problems with train and bus delays. She's also buying some new furniture for the flat. She doesn't have a lot of money so she paid a (deposit / deal)<sup>17</sup> of ten per cent and she'll make monthly payments. The furniture will be delivered next week.
